

# Polish-German Networking Reception

**23<sup>rd</sup> September 2015** Gdańsk Poland

Hotel Hanza (80-888 Gdańsk, ul. Tokarska 6)

Organiser: The Saxony Economic Development Corporation (WFS), COMMIT GmbH, KOW SP. z.o.o.

The Saxony Economic Development Corporation (WFS) on behalf of the Saxony State Ministry for Economic Affairs, Labour and Transport will host 14 exhibitors from the Saxon rail industry at this year's „Sachsen-live“ booth in hall B-16. The German State of North Rhine-Westphalia will also be present with 12 companies visiting the TRAKO during their business mission to Poland. Both German regions share a long history in railway technology and the suppliers and service providers offer experience in the production of rail vehicles and the requisite infrastructure and systems technology.

We will be holding a joint German-Polish Networking Reception at the Hanza Hotel (80-888 Gdańsk, ul. Tokarska 6) starting at 6.30 p.m. on September 23, 2015. The relaxed and friendly atmosphere will provide the right social environment for interesting conversations and establishing contact.
